

# Toad The Wet Sprocket - The Eye

Tom: G  
Intro: Dbm E

We're finally learning to fight now, we take to it well  
'Till we are pure potential, imaginal cells  
You always were a wild one, you like to bend the rules  
But baby when the time comes I might surprise you too

You laugh like nothing can touch you  
The skies might open above you  
When the rain pours down and the wind whips high  
This love is a hurricane, you are the eye  
You are the eye

I can't make a connection, don't trust it to hold  
Though we cling to each other through the battering storm  
Pain passes but slowly and pleasure gone too soon  
A copper manzanita we have to burn to bloom

You laugh like nothing can touch you  
The skies might open above you  
When the rain pours down and the wind whips high

This love is a hurricane, you are the eye

I'll stop telling you what you want to hear  
Stop waiting for me to arrive  
We keep ripping apart the atmosphere  
But the change is what keep us alive  
Keeps us alive

[Solo] Dbm E A B
