

Toad The Wet Sprocket - The Moment

Tom: G

Shame doesn't become you
 There are no mistakes in the final view
 No blame, how could it be so wrong
 That your heart was braver than your will was strong

For every path you follow there's another left behind
 Every door you don't kick open there's a million more to try
 And for everything you taught me here's the one I learned the best

There is nothin' but the moment don't you waste it on regret
 (Fm Eb Cm Db)

I'll go, but who will you have to be?
 Will you just get by or get what you need?

Just know that I don't need to fit in
 Is there room for you in your life with him?

For every path you follow there's another left behind
 Every door you don't kick open there's a million more to try

And for everything you taught me here's the one I learned the best

There is nothin' but the moment don't you waste it on regret

It's out of my hands, out of my hands
 But I miss my friend, I miss my friend

So this is the price of honesty, but I'm not sorry

[Solo] Fm Eb Cm Db

I'm not sorry
 (Fm Eb Cm Db)

For every path you follow there's another left behind

Every door you don't kick open there's a million more to try
 And for everything you taught me here's the one I learned the best

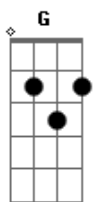

There is nothin' but the moment don't you waste it on regret

Oh, the moment . is happenin' now

The moment is passing
 How could it be so wrong

[Final] Fm Eb Ab Db
