---	--

Am
I hold onto it

Dbm
But I don't know why

Abm
Cause everyday I try

A
To let loose

Am
And it always lead to cry

Dbm
To give up on my life

Abm
Razor blades

A
Such a strange disgrace

Am
Now my brain went down a grade

Dbm
Up there in the clouds

Abm

I can't think of a way out

A
It's just jump

Am
I want it but I can't

Dbm
Just take a cold water

Abm
I wanna stop while I can

A
It's too late

Am
I'm losing all my friends

Dbm
Such a catastrophe

Abm
I wanna kill myself

A
But I don't have the courage

Am **E**
To end it right here
