

# Toca de Assis - Rumo Ao Altar

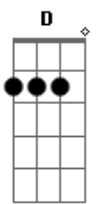

Tom: D

Quando entro nesta procissão, não consigo explicar, entrego o meu coração que somente quer te amar, como a noiva que caminha rumo ao altar, o noivo a te esperar. (2x)

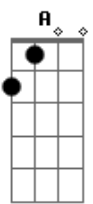

Jesus, teu corpo e sangue me sustenta, Jesus, toda minh'alma se estremece, Jesus, és a razão da minha vida, és o amor, o amor,

Jesus, teu corpo e sangue me sustenta, Jesus, toda minh'alma se estremece, Jesus, és a razão da minha vida, o motivo maior do meu viver. não, não há momento igual a este, não, não há lugar melhor, não há nada que se possa comparar a esse amor, que me faz feliz. somos a noiva que caminha, rumo ao altar, e o noivo bem aqui a nos esperar.
