

Tom Fearon - Thank You

tom:

Intro: G D G D A
 G D A Bm
 G D A

When I first laid my eyes
 On the angel that you are
 My heart spoke to me
 And said that love isn't far
 You walked into my life
 Like a glimmer of hope
 I thought I'd found the one
 Now I'm letting you know

That I'm writing this song
 To tell you just one thing
 It's a letter to you
 To say thank you

For the time
 We spent together
 When you were mine
 Mine forever
 It was the best year of my life
 And I doubt it won't ever be
 'Cause you're the love of my life
 But now it's time to set you free
 (G D A)

As the months went by
 In the blink of an eye
 I fell in love with the feeling
 Of having you by my side
 So I told you that I loved you
 As we watched the setting sun
 All the rest is history
 That's where our journey begun
 Oh I'm writing this song

To tell you just one thing
 It's a letter to you
 To say thank you
 For the time
 We spent together
 When you were mine
 Mine forever
 It was the best year of my life
 And I doubt it won't ever be
 'Cause you're the love of my life
 But now it's time to set you free

(G D G D A)
 (G D A Bm)
 (G D A)

Oh you held my hand
 As you said to me
 I've written down what I wanna say
 'Cause it won't be easy
 First you need to know how much I love you
 And it's nothing you have done
 But I don't think this is gonna work
 So it's best if we move on
 So I'm writing this song
 To tell you just one thing
 It's a letter to you
 To say thank you

For the time
 We spent together
 When you were mine
 Mine forever
 It was the best year of my life
 And I doubt it won't ever be
 'Cause you're the love of my life
 But now it's time to set you free
 Yeah you're the love of my life
 But now it's time to set me free
