

# Tom Fletcher - Don't Know What It Is (feat. Giovana Fletcher)

Tom: Db

(forma dos acordes no tom de Bb )

Capostrate na 3ª casa

Intro: Fm C Fm C

What is going on here?  
 What is on your mind?  
 Trying to discover, what it is  
 Looking at each other, in another light  
 There's something that I like  
 Don't know what it is, don't know what it is  
 There's more than meets the eye  
 Don't know what it is, don't know what it is  
 But I just can't deny  
 It's somewhere that I've never been before  
 Something that I simply can't ignore  
 Tells me that there must be something more  
 Don't know what it is  
 Is it just the moment?  
 The setting or the time?  
 Probably doesn't matter, what it is  
 Even if it wasn't, written in the sky

There's something that I like  
 Don't know what it is, don't know what it is  
 There's more than meets the eye  
 Don't know what it is, don't know what it is  
 But I just can't deny  
 It's somewhere that I've never been before  
 Something that I simply can't ignore  
 Tells me that there must be something more  
 Don't know what it is  
 It didn't cross my mind until today  
 I don't know why it did, I don't know why  
 I don't know what it is  
 Don't know what it is, don't know what it is  
 But I just can't deny  
 It's somewhere that I've never been before  
 Something that I simply can't ignore  
 Tells me that there must be something more  
 Don't know what it is  
 Something that I simply can't ignore  
 Tells me that there must be something more  
 Don't know what it is  
 Something that I simply can't ignore  
 Don't know what it is
