

Tom Jobim e Vinícius de Moraes - Por Toda Minha Vida

tom:

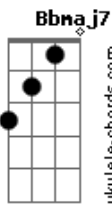

Minha bem amada
 Quero fazer de um juramento uma canção
 Eu prometo, por toda a minha vida
 Ser somente teu e amar-te como nunca
 Ninguém jamais amou, ninguém

Minha bem amada
 Estrela pura, aparecida
 Eu te amo e te proclamo
 O meu amor, o meu amor
 Maior que tudo quanto existe
 Oh, meu amor
