Tom Jobim - How Insensitive

Tom: B

   (Tom Jobim / Vinicius de Moraes / Norman Gimbel)

```
Bm7          Gb              Am
How, insensitive,  I must have seemed
                            E7
When she told me that she loved me
G            C7M            Dbm7
How unmoved and cold I must have seemed
        F#(b9b13) Bm(7M)          Bm7
When she told me so sincerely
D7                  Ab
Why, she must have asked
          G7M        Em7        Bm7
Did I just turn and stare iin icy silence?
D7            Db7          Em
What was I to say    What can you say
        Gb7        Bm7
When a love affair is over

---------------------------------------------

Bm7          Gb              Am
Now, she's gone away  And I'm alone
                            E7
```

```
With a memory of her last look
G            C7M             Dbm7
Vague, and drawn and sad, I see it still
        F#(b9b13) Bm(7M)          Bm7
All her heart break in that last look
D7                  Ab
How she must have asked
          G7M        Em7        Bm7
Could I just turn and stare in icy silence
D7            Db7          Em
What, was I To do, What can you do
        Gb7        Bm7
When a love affair is over
```

```
  Bm7         Gb7         Am          E7
