

Tom Jobim - Por Causa de Você

Tom: D

Tom: A

Intro: A7

Ah, você está vendo só do jeito que eu fiquei

E que tudo ficou

Uma tristeza tão grande nas coisas mais simples

Que você tocou

A nossa casa querido já estava acostumada

Aguardando você

As flores na janela sorriam, cantavam

Por causa de você

Olhe, meu bem, nunca mais nos deixe por favor

Somos a vida e o sonho, nós somos o amor

Entre meu bem, por favor

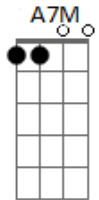

Não deixe o mundo mau te levar outra vez

Me abrace simplesmente

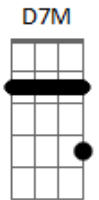

Não fale, não lembre

Não chore meu bem
