

Tom Jobim - Sucedeu Assim

Tom: C

Intro: Dm7 A7

Dm7 A7 Dm7 G7
Assim Começou assim

Uma coisa sem graça

Coisa boba que passa

Que ninguem percebeu não

Assim...

Depois ficou assim

Quis fazer um carinho

Receber um carinho

E voce percebeu

F7M Gbm11
Fez-se uma pausa no tempo

C Am7
Cessou todo o meu pensamento

E como acontece uma flor

Tambem acontece o amor

Assim, sucedeu assim...

E foi tao de repente

Que a cabeça da gente

Vira só coração

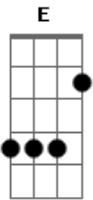

Nao poderia supor

Que o amor nos pudesse prender

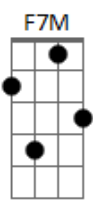

Abriu-se em meu peito a canção

E a paixao por voce
