

Tom Misch - Movie

tom: Can't ignore, the time May have changed your ways [Primeira Parte] Does my record still hang on your wall? C I hope Such a sentimental way to groove Rm That the fire we both made I hope it still touches you Still burns a little in you Baby come back to me, come back to me I wrote, to you It kills me to see you leave Bb Everyday, did my letters find their way? So I came home and made this beat Bb D D Baby come back to me, come back to me Our memories on my screen Two lovers in this mystic dream [Refrão] D D Baby come back to me, come back to me Remember me Too much time on my phone E7 Am Bm C Fresh out a black and white movie Baby do you still sleep alone? movie D D Come back to me, come back to me On every screen [Refrão] F7 What would you realize G7 Αm What you meant to me, it was a mystery Remember me E7 Am Bm C Fresh out a black and white movie D D Remember me E7 Am Bm C movie Fresh out a black and white movie On every screen E7 movie What would you realize G7 On every screen Αm What you meant to me, it was a mystery What would you realize What you meant to me, it was a mystery Remember me E7 Am Bm C [Ponte] Fresh out a black and white movie movie Remember me, let's set the scene On every screen Fh/9 You and me, what could've been What would you realize Still swimming in a lover's dream What you meant to me, it was a mystery Still playing on the movie screens [Segunda Parte] Remember me, let's set the scene I heard Fh/9 Bm You and me, what could've been That you moved somewhere far away Still swimming in a lover's dream Is your number the same as before? Still playing on the movie screens
