Intro: G Am Em
G Am Em C

When you touch me I feel butterflies (hmm-mm)

I'm gonna love you till the day I die (die)

When you cut me, you cut me like a knife (cut me like a knife)

I wanna tell you, but I'm terrified

Oh, what a perfect day

Why do you have to go away?

Now the sky's so grey (hmm-mmm)

G Am Em C

I think I'm gonna be okay

Be okay (ooh)

I'm gonna be okay (ooh)

I'm gonna be okay (ooh)

Am I gonna be okay? (ooh)

When you touch me I feel butterflies (I feel butterflies)

I'm gonna love you till the day I die (till the day I die)

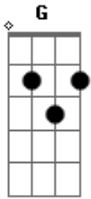

When you cut me, you cut me like a knife

You don't know it, but you saved my life (ahh-ahh, ahh-ahh)

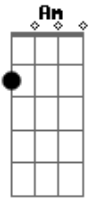

Gonna be okay

Think I'm gonna be okay
