tom:

A
 Love, I have wounds
 Only you can mend
 You can mend
 Ohhh

Dbm Ab E
 I guess that's love
 I can't pretend
 Can't pretend
 Ohhh

Dbm Ab E
 Feel, my skin is rough
 But it can be cleansed
 It can be cleansed
 Ohhh

Dbm Ab E
 And my arms are tough
 But they can be bent
 They can be bent
 Ohhh

Dbm Ab E
 And I wanna fight
 But I can't contend

Dbm Ab E
 I guess that's love
 I can't pretend
 I can't pretend
 Ohhh

Gbm E B
 Oh feel our bodies grow
 And our souls they blend

Gbm E B
 Yeah love I hope you know
 How much my heart depends

Dbm Ab E
 But I guess that's love
 I can't pretend
 I can't pretend
 Ohhh

Dbm Ab E
 I guess that's love
 I can't pretend
 I can't pretend
 Ohhh

Gbm E B
 Oh feel our bodies grow
 And our souls they blend

Gbm E B
 Yeah love I hope you know
 How much my heart depends

Dbm Ab E
 I guess that's love
 I can't pretend
 I can't pretend
 Ohhh
