tom:

A (forma dos acordes no tom de F)

Capostrate na 4ª casa

I hold my hand over the flame

To see if I can feel some pain

Look at what you've gone and done

Baby, baby now I'm numb

[Verse]

I'm losing weight bub

I'm looking great bub

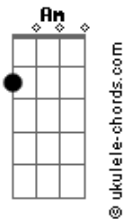

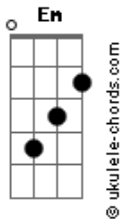

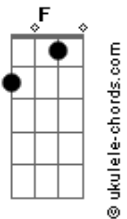

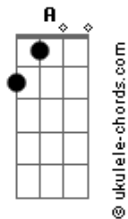

So what I go out every night, sometimes I take drugs

They're like my make-up

This fucking break-up

You see I gave you all my heart and now I hate love

Acordes

That's right I hate love

It only baits us

And if you wanna know how I feel well here's a taste of

[Chorus]

I hold my hand over the flame

To see if I can feel some pain

Look at what you've gone and done

Baby, baby now I'm numb

F Em Am
F Em Am

F Em Am
F Em

I hold my hand over the flame

To see if I can feel some pain

Look at what you've gone and done

Baby, baby, baby, baby now I'm numb
