

Tom Petty - Louisiana Rain

tom:

Intro: D G C G

[Primeira Parte]

Well it was out in California

By the San Diego Sea

That was when I was taken in and it left its mark on me

Yeah she nearly drove me crazy

With all those China toys

And I know she really didn't mean a thing

To those sailor boys

[Refrão]

Louisiana rain

Is falling at my feet

Baby I'm noticing a change

As I move down the street

Louisiana rain

Is soaking through my shoes

I may never be the same

When I reach Baton Rouge

[Segunda Parte]

South Carolina

Put out its arms for me

Right up until everything went black somewhere on Lonely street

And I still can't quite remember

Who helped me to my feet

Thank God for a long neck bottle

The angel's remedy

[Refrão]

Louisiana rain

Is falling just like tears

Running down my face

Acordes

Washing out the years

Louisiana rain

Is soaking through my shoes

I may never be the same

When I reach Baton Rouge

[Solo]

[Terceira Parte]

Well I never will get over

This English refugee

Singing to the jukebox in some all-night beanery

Yeah he was eating pills like candy

And chasing them with tea

You should have seen him lick his lips at old black Molly

[Refrão]

Louisiana rain

Is falling at my feet

Baby I'm noticing a change

As I move down the street

Louisiana rain

Is soaking through my shoes

I may never be the same

When I reach Baton Rouge

Louisiana rain

Is falling just like tears

Running down my face

Washing out the years

Louisiana rain

Is soaking through my shoes

I may never be the same

When I reach Baton Rouge
