

# Tom Petty - Walls

tom:  
G

Some days are diamonds  
Some days are rocks  
Some doors are open  
Some roads are blocked

Sun downs are golden  
Then fade away  
But if I never do nothing  
I'll get you back some day

Cause you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down

And all around your island  
There's a barricade  
It keeps out the danger  
It holds in the pain

Sometimes you're happy  
Sometimes you cry  
Half of me is ocean  
Half of me is sky

Cause you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down

[Solo] G Em C D

And some things are over  
Some things go on  
And part of me you carry  
Part of me is gone

Cause you got a heart so big  
It could crush this town  
And I can't hold out forever  
Even walls fall down
