Tom Petty - You Don't Know How It Feels

Tom: E

[Verso 1]

(x2)

Let me run with you tonight I'll take you on a
moonlight ride
There's someone I used to see but she don't give a
damn for me.

[Refrão 1]

But let me get to the point, let's roll another joint
And Turn the radio loud, I'm too alone to be proud
You don't know how it feels
You don't know how it feels...to be me

[Verso 2]

People come, people go, some grow young, some grow cold
I woke up in between a memory and a dream.

[Refrão 2]

So let's get to the point, let's roll another joint
And let's ahead on down the road, There's somewhere i gotta go
No You don't know how it feels... to be me

You don't know how it feels
E D A E D A - E D A
You don't know how it feels...to be me

[Ponte]

E A (4x) E D A (2x) E A E

My old man was born to rock but he's still tryin' to beat the
clock
Think of me what you will, I've got a little space to fill.

Refrão 3 2x:

So let's get to the point, let's roll another joint
let's ahead on down the road, There's somewhere i gotta go
You don't know how it feels
You don't know how it feels
No You don't know how it feels... to be me
You don't know how it feels
You don't know how it feels
E D A - E D A
No You don't know how it feels... to be me
