

Tom Rosenthal - It's Ok

```
Intro: Dbm Abm E Abm
                                  F
                                                Δhm
                Abm
Keep me here, my heart is near, my love has gone away
                Abm
                                 Ε
Tell me true, my heart is new, my love has gone away
( B E Abm Gb )
                 Abm
It's ok i know someday i'm gonna be with you
               Abm
It's ok i know someday i'm gonna be with you
( Dbm Abm E Abm )
                                  F
                Abm
Speak to me, my heart is free, my love has gone away
                Abm
                                  Ε
Tell me true, my heart is blue, my love has gone away
     Е
                 Abm
```

```
It's ok I know someday i'm gonna be with you
