Intro: D  G  A
       D  G  A

[Primeira Parte]

 D              G           A     D
   Outside, another yellow moon
              G               A
Has punched a hole in the nighttime, yes
D     G                    A        D
   I climb through the window and down to the street
      G             A
I'm shining like a new dime

[Ponte 1]

 G            A
   The downtown trains are full
 G                  A
   With all of those Brooklyn girls
 G                  A
   They try so hard to break out of their little worlds

[Segunda Parte]

 D               G            A
   Well, you wave your hand and they scatter like crows
 D         G              A         D
   They have nothing that will ever capture your heart
       G              A
They're just thorns, without the rose
 D        G           A
   Be careful of them in the dark

[Ponte 2]

 G        A         G                    A
   Oh, if I was the one, you chose to be your only one
        G                 A
Oh baby, can't you hear me now? Can't you hear me now?

[Refrão 1]

 D                    G
   Will I see you tonight
 D             G
   On a downtown train?
 D      G                     Em    A
   Every night it's just the same;     you leave me lonely,
now

[Terceira Parte]

 D           G         A      D
   I know your window and I know it's late
              G           A
I know your stairs and your doorway
```

```
 D           G          A          D
   I walk down your street and past your gate
                 G           A
I stand by the light at the four-way

[Ponte 3]

 G                       A
   You watch them as they fall
    G                          A
Oh baby, they all have heart attacks
    G                         A
They stay at the carnival but they'll never win you back

[Refrão 2]

 D                    G
   Will I see you tonight
 D             G
   On a downtown train?
 D          G                         Em    A
   Where every night, every night, it's just the same,  oh baby
 D                    G
   Will I see you tonight
 D             G
   On a downtown train?
 D       G                  Em        A
   All of my dreams, they fall like rain, oh baby, on a
downtown train

[Refrão 3]

 D                    G

   On a downtown train?
 D       G                  Em    A                 D

train
