

Tom Waits - I Hope That I Don't Fall In Love With You

Tom: C

Well I hope that I don't fall in love with you

Cause falling in love just makes me blue

Well the music plays and you display your heart for me to see

I had a beer and now I hear you calling out to me

And I hope that I don't fall in love with you.

Now the room is crowded, people everywhere

And I wonder should I offer you a chair

Well if you sit down with this old clown,

he'll take that frown and break it

Before the evening's gone away, I think that we could make it

And I hope that I don't fall in love with you

Now the night does funny things inside a man

These old tomcat feelings you don't understand

I turn around and look at you, you light a cigarette

I wish I had the guts to bum one, but we've never met

And I hope that I don't fall in love with you

And I can see that you are lonesome just like me

And I'm feeling like you'd like some company

Well I turn around to look at you, and you look back at me

The guy you're with he's up and split,

the chair next to you's free

And I hope that you don't fall in love with me

Now it's closing time, the music's fading out

Last call for drinks I'll have another stout

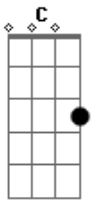

I turn around to look at you, you're nowhere to be found

I search the place for your lost face,

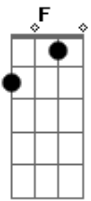

guess I'll have another round

and I think that I just fell in love with you.
