D  
 Got no time for the cornerboys

G  
 Down on the street makin' all that noise

A7sus4  
 Don't want no whores on eight avenue

D  
 'cause tonight I'm gonna be with you

tonight I'm gonna take that ride

across the river to the Jersey side

Take my baby to the carnival

and I'll take her on all the rides

Down the shore everythings allright

You with your baby on a saturday night

Don't you know all my dreams come true

When I'm walkin' down the streets with you

You know she thrills me with all her charms

When I'm wrapped up in my baby's arms

My little angel gives me everything

I know someday she'll wear my ring

So don't bother me 'cause I've got no time

I'm on my way to see that girl of mine

nothing matters in this hole wide world

when you're in love with a jersey girl

chorus: (shalala as above)
