

Tom Waits - Tango 'til They're Sore

Tom: F

Well ya play that tarantella
 All the hounds will start to roll
 The boys all go ta hell
 And then the Cubans hit the floor
 And they drive along the pipeline
 They tango 'till they're sore
 They take apart their nightmares
 And they leave 'em by the door

Chorus:

Let me fall out of the window
 With confetti in my hair
 Deal out Jacks or better
 On a blanket by the stairs
 I'll tell you all my secrets
 But I lie about my past
 So send me off to bed for evermore

Verse 2:

Make sure they play my theme song
 I guess daisy's will have to do
 Just get me to New Orleans
 And paint shadows on the pews
 Turn the spit on that pig
 And kick the drum and let me down
 Put my clarinet beneath my bed
 Till I get back in town

Chorus

Just make sure she's all in calico
 In the colour of a doll
 Wave the flag on Cadillac day
 And a skillet on the wall
 Cut me a switch
 Or hold your breath till the sun goes down
 Write my name on the hood
 Send me off to another town

Chorus (x 2)
