

# Tom Zé - Capitais e Tais

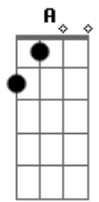

Tom: A

A roupa que me veste melhor  
 É o luar de Maceió  
 E o melhor cobertor quando esfria  
 É o calor da Bahia.  
 Coisa boa, João Pessoa  
 As lagoas de Alagoas  
 Que sina terei em Teresina?

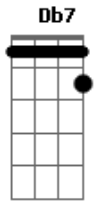

Se Recife se refere à cidade-saudade

Em riba da Paraíba, maluco por Pernambuco  
 CRB vai ser agora o novo rei da bola  
 Guaraná vai pisar no calo da Coca-cola  
 Do copo de Aracaju alá o Ceará  
 Bahia quando caía na cuia de Cuiabá  
 Em riba da Paraíba, maluco por Pernambuco  
 Eu podia viver lá, mas lá  
 Á vou eu ficando por cá, São Paulo
