D E  
Forever - and ever

A E Gbm

Some are like water, some are like the heat

Some are a melody and some are the beat

Sooner or later, they all will be gone

Why don't they stay young?

It's so hard to get old without a cause

I don't want to perish like a fading horse

Youth's like diamonds in the sun

And diamonds are forever

So many adventures couldn't happen today

So many songs we forgot to play

So many dreams swinging out of the blue

We'll let them come true

[Refrão Final]

Forever young, I want to be forever young

Do you really want to live forever

Forever - and ever

We're talking away

I don't know what I'm to say

I'll say it anyway

Today is another day to find you

Shying away

I'll be coming for your love, ok?

[Refrão]

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

( E D E )

[Segunda Parte]

So needless to say

I'm odds and ends but I'll be

Stumbling anyway

Slowly learning that life is ok

Say after me

It's no better to be

Safe than sorry

[Refrão]

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day or two

( E D E )

( Dbm G Dbm )

( G Bm E )

[Solo] Bm E A D D

[Terceira Parte]

Oh the things that you say

You're all the things

I've got to remember

You're shying away

I'll be coming for you anyway

[Refrão]

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day

Take on me (take on me)

Take me on (take on me)

I'll be gone

In a day

[Final] A E Gbm D

A E Gbm D A

Josie's on a vacation far away

Come around and talk it over

So many things that I wanna say

You know I like my girls a little bit older

I just wanna use your love tonight

I don't wanna lose your love tonight

I ain't got many friends left to talk to

Nowhere to run when I'm in trouble

You know I'd do anything for you

Stay the night but keep it undercover

I just wanna use your love tonight

I don't wanna lose your love tonight

( Dadd9 Gbm E )

Cadd9 Dadd9 Cadd9 Dadd9

Try to stop my hands from shaking  
 But something in my mind's not making sense  
 It's been a while since we were all alone  
 I can't hide the way I'm feeling

[Terceira Parte]

As you're leaving  
 Please would you close the door?  
 And don't forget what I told you  
 Just 'cause you're right, that don't mean I'm wrong  
 Another shoulder to cry upon

I just wanna use your love tonight  
 I don't wanna lose your love tonight

[Refrão Final]

I just wanna use your love tonight  
 I don't wanna lose your love tonight

I just wanna use your love tonight  
 I don't wanna lose your love tonight

[Final] I just wanna use your love tonight  
 I don't wanna lose your love tonight
