Tomorrows Bad Seeds - Only For You

Tom: Db Intro:

Verso 1: There's a fire burning in my heart And it grows cause were apart? Only for you my love Only for you Its a place no one can ever take you know my love can never be replaced It belongs to you my love only to you -Refrão:

so rock steady with your woman we gotta keep on movin' Don't stop till your in the groove slow and steady to my rhythm we gotta keep on movin' Don't stop don't stop are you in the mood I know you feel it too oOo-oOo Oh yeah

-Verso 2: And do what you want to do And don't stop the rhythm Let it move you Oh yeah And that little thing you do Makes me want to push on you Oh girl, oh girl, ooh girl Little girl And I

-Verso 3: I know that your a special girl If i could i would give you the world Give it to you my love Only to you Its a place no one can ever take

Acordes

You know my love can never be replaced It belongs to you my love Only to you -Refrão: So rock steady with your woman We gotta keep on movin' Don't stop till your in the groove Slow and steady to this rhythm We gotta keep on movin' Don't stop don't stop are you in the mood I know you feel it too 000-000 Oh yeah -Verso 4: And do what you got to do Don't stop the rhythm Let it moveyou Oh yeah We've got to push on through So the love has room to move you Oh yeah And I -Verso 5: There's a fire burning Ain't no doubt Ain't nobody gonna put it out It burns for you my love Only for you Its a place no one can ever take You know my love can never be replaced It belongs to you my love Only to you -Verso 6: Do what you got to do And don't stop the rhythm Let it move you oh yeah Cause we got some work to do There's no one but me and you Oh girl, oh girrrrllll --- oh girlll
