

Toni Braxton - There's No Me Without You

Tom: G

There's no me without you
There's no meaning to life without you

Tell me why should I care 'bout doing my hair

When I can't stop the thinking about you

There's no moon without you
There's no Saturday nights without you

There's no walk through the park

No beat in my heart No I love you, No I can't live without you

Riff 'Tapping'

You told me everything would be cool

Said I wouldn't always feel blue

How come I feel like a wreck How come the skies are all gray

How come my eyes are all red Why am I alone in bed

Riff

You told me everything would be fine Why am I losing my mind

How come I feel like a fool Why do I keep losing you

Why do I love in despair When you're not there

When I can't stop the thinking about you

There's no moon without you
There's no Saturday nights without you

There's no walk through the park

No beat in my heart No I love you, No I can't live without you

So blue for you So deep in love with you

So hard to say bye-bye When you know how hard I've tried

I, I, I tried baby No No No No

You told me everything would be fine Why am I losing my mind

How come I feel like a fool Why do I keep losing you

Why do I love in despair When you're not there
