

Toni Braxton - There's No Me Without You

```
Tom: G
                                                               Why do I love in despair When you're not there
There's no me without you
                                                               Refrão:
There's no meaning to life without you
      Am7
Tell me why should I care 'bout doing my hair
                                                               There's no me without you
                                                               There's no meaning to life without you
When I can't stop the thinking about you
                                                                      Am7
                                                               Tell me why should I care 'bout doing my hair
There's no moon without you
There's no Saturday nights without you
                                                               When I can't stop the thinking about you
                                                                        G
           Am7
                                                               There's no moon without you
There's no walk through the park
                                                               There's no Saturday nights without you
No beat in my heart No I love you, No I can't live without you
                                                                         Am7
                                                               There's no walk through the park
Riff ''Tapping''
                                                               No beat in my heart No I love you, No I can't live without you
                                                               So blue for you So deep in love with you
                          Em7
You told me everything would be cool
                                                                                       Am7
                                                               So hard to say bye-bye When you know how hard I've tried
Said I wouldn't always feel blue
                           Gbm7 B7
                     Am
                                                               I, I, I tried baby No No No No
How come I feel like a wreck How come the skies are all gray
                        Am7
                                  D
How come my eyes are all red Why am I alone in bed
                                                               You told me everything would be fine Why am I losing my mind
                                                                                    Am7 Gbm7 B7
Riff
                                                               How come I feel like a fool Why do I keep losing you
                                                                                             D
                                                                                Am7
                                                               Why do I love in despair When you're not there
                              Fm7
You told me everything would be fine Why am I losing my mind
                     Am7 Gbm7 B7
                                                               Refrão
                                       Em
How come I feel like a fool Why do I keep losing you
