

Toni Braxton - Yesterday

Tom: F

^{Dm}
I gave you the benefit of the doubt ^{Bb}
'Til you showed me what you were about ^F
Your true colors came out ^C

^{Dm}
And your words couldn't hide the sin ^{Bb}
'Cause the truth about where you been ^F
Is in a fragrance I can't recognize ^C

^{Dm}
Just standing there, scratching your head ^{Bb}
Bloodshot eyes, drunk with regret ^F
Hanging yourself ten feet over the edge ^C

^{Dm}
I'm done with this, feeling like an idiot ^{Bb}
Loving you, I'm over it ^F
I just don't love you, don't love you no more ^C

^{Dm}
You, you are so yesterday ^{Bb}
Never thought you'd lose my love this way ^F
Now you come begging me to stay ^C

^{Dm}
See you, you are so yesterday ^{Bb}
I won't let you rain on my parade ^F
I don't wanna hear a thing you say ^C
You're so yesterday ^{Dm}

^{Bb}
Funny now how I'm gone ^{F?}
The little light in your head came on ^C
?Now you realize it's all your fault, ooo, ooo

^{Dm}
Don't you wish you had a time machine? ^{Bb}
That way you could change history ^{F?}
That's the only way that you could be with me ^{C?}

^{Dm}
Just standing there, scratching your head ^{Bb}
Bloodshot eyes, drunk with regret ^F
Hanging yourself ten feet over the edge ^C

^{Dm}
I'm done with this, feeling like an idiot ^{Bb}
Loving you, I'm over it ^F
I just don't love you, don't love you no more ^C

^{Dm}
You, you are so yesterday ^{Bb}
Never thought you'd lose my love this way ^F
Now you come begging me to stay ^C
See you, you are so yesterday ^{Dm}
I won't let you rain on my parade ^{Bb}

^F
I don't wanna hear a thing you say ^C
You're so yesterday ^{Dm}

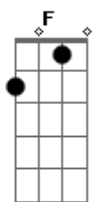

^{Bb}
And now you wanna reminisce ^F
Say you wanna try again ^C
It started with a little kiss ^{Bb}
But we can't even be friends ^C

No, no, now I never wanna see you ^F
Never wanna feel you, never wanna hear you ^C
I don't love you, don't need you ^{Bb}
Can't stand you no more ^{Dm}

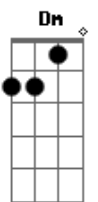

^{Bb}
You, you are so yesterday ^F
Never thought you'd lose my love this way ^C
Now you come begging me to stay

^{Dm}
See you, you are so yesterday ^{Bb}
I won't let you rain on my parade ^F
I don't wanna hear a thing you say ^C
You're so yesterday ^{Dm}
