

Tony Ferrari - You've Got a Hold On Me

Tom: Eb

Well, you've got a hold on me
 It's something like glue
 And now every word you speak
 I swear that it's my only truth
 And you've got a hold on me
 I could scream it to the skies
 And i'm hiding away
 Seeing you won't see
 That I shake whenever you come by
 There must be something in the way
 That you love me
 That makes me feel
 Like come at home
 And I could be up in a plane
 Going all around the world
 See a million faces, talk to every pretty girl
 But they could never see the way
 You fill up every space in my heart
 Yeah, you've got a hold on me
 (Eb Bb Cm7 Ab)
 Yeah, you've got a hold on me
 I hope I've got one on you
 And this world may not be easy
 But with love we'll always make it through
 And you've got a hold on me
 That can make a grown man weak
 And shaking his knees, causing nausea
 The reason for that singing sings

There must be something in the way
 That you love me
 That makes me feel
 Like come at home
 And I could be up in a plane
 Going all around the world
 See a million faces, talk to every pretty girl
 But they could never see the way
 You fill up every space
 In every inch of this soul that I sing from
 And when I had no words
 Not a parcel of truth
 No, I was just a body to bleed from
 I felt my ways, that I was born into
 The second that you came and gave me love
 That must be something in the way
 That you love me
 That makes me feel
 Like come at home
 And I could be up in a plane
 Going all around the world
 See a million faces, talk to every pretty girl
 But they could never see the way
 You fill up every space
 In my heart, my heart
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me
 Yeah, you've got a hold on me

Acordes
