

Toquinho - Fogo Sobre a Terra

Tom: Eb

A melodia inicia na tônica Dó.

A gente às vezes tem vontade de ser
 Um rio cheio "pra? poder transbordar
 Uma explosão capaz de tudo romper
 Um vendaval capaz de tudo arrasar
 Nas outras vezes tem vontade de ser
 Um canto escuro "pra? poder se ocultar
 Um labirinto "pra? poder se esconder

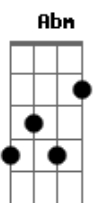

E onde poder fazer o tempo parar
 Oh dor de saber que na vida
 É melhor de saí - da ser um bom perdedor
 Amor minha fonte perdida
 Vem curar a ferida de mais um sonhador.
