

Toquinho - Nas Asas de Um Violão

Tom: F
Intro: Am7 Bb7 Dm7

É lindo viajar
Nas asas de um instrumento
Saber com a vida improvisar
Na escala da imaginação
Tocar é transcender
Poder voltar no tempo
Deixar o acorde adormecer

Na pausa da desilusão

É criar, fazer soar o som do pensamento
Com a batida do coração
Sobrevoar o mar dos sentimentos
O adágio do sofrer, o allegro da paixão
A vida vai reger a eterna sinfonia
No andamento do sofrer, no contratempo da ilusão
Tocar é harmonizar tristeza e alegria
Em paz deixar-se torturar nas cordas de um violão
