

Toquinho - O Filho Que Eu Quero Ter

Tom: E

É comum a gente sonhar, eu sei, quando vem o entardecer
 Pois eu também dei de sonhar um sonho lindo de morrer
 Vejo um berço e nele eu me debruçar com o pranto a me correr
 E assim chorando acalantar o filho que eu quero ter
 Dorme, meu pequenininho, dorme que a noite já vem
 Teu pai está muito sozinho de tanto amor que ele tem

 De repente eu vejo se transformar num menino igual à mim
 Que vem correndo me beijar quando eu chegar lá de onde eu vim

Um menino sempre a me perguntar um porque que não tem fim
 Um filho a quem só queira bem e a quem só diga que sim
 Dorme menino levado, dorme que a vida já vem
 Teu pai está muito cansado de tanta dor que ele tem

 Quando a vida enfim me quiser levar pelo tanto que me deu
 Sentir-lhe a barba me roçar no derradeiro beijo seu
 E ao sentir também sua mão vedar meu olhar dos olhos seus
 Ouvir-lhe a voz a me embalar num acalanto de adeus
 Dorme meu pai sem cuidado, dorme que ao entardecer
 Teu filho sonha acordado com o filho que ele quer ter
