

Tori Kelly - Actress

Tom: G

Intro: G D A Em
G D A Em

She don't smile too much
But when she does it's just enough
To make you smile back
She don't cry too much
But when she does it's just enough
To make you feel bad

She got dreams to be seen on screens by everyone
But underneath truly just wants to be known by anyone
She's in the fast lane
Making big waves
So there's no time for her heart
Can't slow
Down now

She said it's easier to be an actress
Call me insane or call me an addict
But like champagne when it touches my lips
I can choose who I wanna be
Yeah it's easier to be an actress
Fresh tear stains I found on the mattress
Hide my pain
I can never admit that I'm sick of all this
But no, it's easier to be an actress
(G D A Em)

She don't fall in love
Cause that would mean
Gotta let em see behind the mask
And she don't know enough

About how beautiful she is
About all the magic tricks that she's hiding
She got dreams to be seen on screens by everyone
But underneath truly just wants to be close to anyone
But you gotta fake it 'til you make it
So there's no time to be real
Can't slow
Down now

She said it's easier to be an actress
Call me insane or call me an addict
But like champagne when it touches my lips
I can choose who I wanna be
Yeah it's easier to be an actress
Fresh tear stains I found on the mattress
Hide my pain

I can never admit that I'm sick of all this
But no, it's easier to be an actress
Ohhh Ohhh Yeahh
So much easier
So much easier
Yeah yeah yeah
Easier to be an actress
Call me insane or call me an addict
But like champagne when it touches my lips
And I can choose who I wanna be
Yeah it's easier to be an actress
Fresh tear stains I found on the mattress
Hide my pain
I can never admit that I'm sick of all this
But no, it's easier to be an actress
