

# Tori Kelly - Actress

Tom: G

Intro: G D A Em  
G D A Em

She don't smile too much  
But when she does it's just enough  
To make you smile back  
She don't cry too much  
But when she does it's just enough  
To make you feel bad

She got dreams to be seen on screens by everyone  
But underneath truly just wants to be known by anyone  
She's in the fast lane  
Making big waves  
So there's no time for her heart  
Can't slow  
Down now

She said it's easier to be an actress  
Call me insane or call me an addict  
But like champagne when it touches my lips  
I can choose who I wanna be  
Yeah it's easier to be an actress  
Fresh tear stains I found on the mattress  
Hide my pain  
I can never admit that I'm sick of all this  
But no, it's easier to be an actress  
( G D A Em )

She don't fall in love  
Cause that would mean  
Gotta let em see behind the mask  
And she don't know enough

About how beautiful she is  
About all the magic tricks that she's hiding  
She got dreams to be seen on screens by everyone  
But underneath truly just wants to be close to anyone  
But you gotta fake it 'til you make it  
So there's no time to be real  
Can't slow  
Down now

She said it's easier to be an actress  
Call me insane or call me an addict  
But like champagne when it touches my lips  
I can choose who I wanna be  
Yeah it's easier to be an actress  
Fresh tear stains I found on the mattress  
Hide my pain

I can never admit that I'm sick of all this  
But no, it's easier to be an actress  
Ohhh Ohhh Yeahh  
So much easier  
So much easier  
Yeah yeah yeah  
Easier to be an actress  
Call me insane or call me an addict  
But like champagne when it touches my lips  
And I can choose who I wanna be  
Yeah it's easier to be an actress  
Fresh tear stains I found on the mattress  
Hide my pain  
I can never admit that I'm sick of all this  
But no, it's easier to be an actress
