

Tori Kelly - Crazy

tom:

Intro: A C G D

A man decides after seventy years
That what he goes there for, is to unlock the door
While those around him criticize and sleep
And through a fracture on a breaking wall
I see you my friend, and touch your face again
Miracles will happen as we dream

But we're never gonna survive, unless

We get a little crazy

No we're never gonna survive, unless

We're a little crazy

(Am7 C G D)

You're the people walking through my head
One of them got a gun, to shoot the other one

And yet together they were friends at school
Oooohh.

(G D)

If all were there when we first took the pill
Then maybe, then maybe, then maybe, then maybe

Miracles will happen as we dream

But we're never gonna survive, unless

We get a little crazy

No we're never gonna survive, unless

We're a little crazy

No never, never survive

Unless we get a little Biiiiiiiitt

In a sky full of people, only some want to fly

Isn't that crazy?

In a world full of people, only some want to fly

Isn't that crazy?
Oooohh

In a heaven of people there's only some want to fly

Ain't that crazy?

In a world full of people there's only some Want to fly

Isn't that crazy?

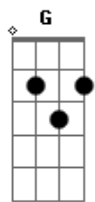

But we're never gonna survive, unless

We get a little crazy

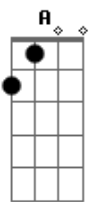

No we're never gonna survive, unless

We're a little crazy
