

Tori Kelly - Fill a Heart

```
Tom: Gb
Intro: Gb B
 There are so many lives struggling to fight
Just a little bit more
Trying to provide, barely getting by
Could be right next door
Pré-Refrão:
            Ebm Db
 No one should be left alone in the dark
             Ebm Db
With love fill a broken heart
                      Dh
    Ebm
  I know we can make the world better if we come together
You gotta believe that
Refrão:
We can change the outcome
        Fbm Db
If we join in, reach out a hand B Ebm
All it takes is someone stepping forward
And making a stand
          Db
You and I is where it starts
            Db B
You and I can be a part
Feed a soul, fill a heart
 You feel like giving up
Doubts are growing but you gotta keep on somehow
Hear the sound of hope, let everybody know
We have the power to turn this around
