

# Toto - Melanie

Tom: **Bb**

I can still see your face in my mind with every turn I take

(intro)

**Am** **F** **C** **F** **G** **F**  
 And the wind through my heart feels so cold as it calls out  
 your name

(verse)

**G** **C** **F** **Am** **G** **C** **F**  
 Melanie nothing but the touch of your hand can rescue me  
**G** **C** **F** **Am** **G** **C** **G** **F**  
 Melanie reach inside this emptiness and you can set me free

**C** **Eb7** **Bb**  
 Watching driving thru the night I'm all alone  
**C** **Eb7** **Bb** **F**  
 Empty endless road a thousand miles to go  
**C** **Eb7** **Bb**  
 Midnight five million thoughts are passing in a row  
**C** **Eb7** **Bb** **F**  
 Will you still be waiting there God only knows

(intro)

Morning sun's in my eyes I'm tied to your soul  
 One chance one solitary life how could I let you go

Got a phone call or was it a dream a voice spoke to me  
 I could swear it was you that I heard crying desperately

**Gm** **Eb** **Bb** **F**

(chorus)

## Acordes
