

# Tove Lo - 9th Of October

Tom: Bb

We never had <sup>Bb</sup> coffee table books or dinner parties <sup>Gm</sup>  
 We always had <sup>Bb</sup> hazy nights and sex, clichés in Paris <sup>Gm</sup>  
 Don't disturb on the top floor <sup>F</sup>  
 Getting high by the window <sup>F</sup>  
 In bed with your eyes locked into mine <sup>Eb</sup>  
 How perfect was it? <sup>F</sup>

<sup>Bb</sup> 9th of October, I always remember <sup>Gm</sup>  
 No bad things had happened then <sup>Bb</sup>  
 Honestly, you never thought you'd fall for me <sup>Gm</sup>  
 But somehow you got pulled in <sup>Eb</sup>  
 Livin' so fast, makin' memories last <sup>F</sup>  
 'Til our hearts couldn't hold no more <sup>Eb</sup>  
 Hear you explodin' while I am implodin' <sup>F</sup>  
 Now, how did we let this go?

We never had, ah <sup>Bb</sup> <sup>Gm</sup>  
 We never wanted, ah <sup>Bb</sup> <sup>Gm</sup>  
 We never had, ah <sup>Eb</sup>  
 We never wanted <sup>F</sup> <sup>Eb</sup>  
 A normal kind of love <sup>F</sup>

We never had time for useless fights <sup>Bb</sup>  
 'Bout dirty laundry <sup>Gm</sup>  
 We always had tender, long goodbyes <sup>Bb</sup>  
 Packed bags in a hurry <sup>Gm</sup>  
 Our last kiss at the bus stop <sup>Eb</sup>  
 Had I known, would've jumped off <sup>F</sup>  
 And now from the pieces of my heart, I'm so sorry <sup>Eb</sup> <sup>F</sup>

We never had, ah <sup>Bb</sup> <sup>Gm</sup>  
 We never wanted, ah <sup>Bb</sup> <sup>Gm</sup>  
 We never had, ah <sup>Eb</sup>

 A normal kind of love <sup>F</sup>

<sup>Bb</sup> Waitin' for my heart, waitin' for my heart <sup>Gm</sup> (We never wanted)  
<sup>Bb</sup> Waitin' for my heart, waitin' for my heart <sup>Gm</sup>  
<sup>Eb</sup> Still waitin' for my heart, waitin' for my heart  
<sup>F</sup> We never wanted a normal kind of love
