

Tove Lo - 9th Of October

Tom: Bb

We never had ^{Bb} coffee table books or dinner parties ^{Gm}
 We always had ^{Bb} hazy nights and sex, clichés in Paris ^{Gm}
 Don't disturb on the top floor ^F
 Getting high by the window ^F
 In bed with your eyes locked into mine ^{Eb}
 How perfect was it? ^F

^{Bb} 9th of October, I always remember ^{Gm}
 No bad things had happened then ^{Bb}
 Honestly, you never thought you'd fall for me ^{Gm}
 But somehow you got pulled in ^{Eb}
 Livin' so fast, makin' memories last ^F
 'Til our hearts couldn't hold no more ^{Eb}
 Hear you explodin' while I am implodin' ^F
 Now, how did we let this go?

We never had, ah ^{Bb} ^{Gm}
 We never wanted, ah ^{Bb} ^{Gm}
 We never had, ah ^{Eb}
 We never wanted ^F ^{Eb}
 A normal kind of love ^F

We never had time for useless fights ^{Bb}
 'Bout dirty laundry ^{Gm}
 We always had tender, long goodbyes ^{Bb}
 Packed bags in a hurry ^{Gm}
 Our last kiss at the bus stop ^{Eb}
 Had I known, would've jumped off ^F
 And now from the pieces of my heart, I'm so sorry ^{Eb} ^F
