

Tove Lo - Bad Days

Tom: G
Intro: G

G D C
You used to love me on my bad days

G G
When the sun wouldn't come out

G D C
When I was called to make a statement

C
I'd wait for you to figure out

D Em
Why what you said just a minute ago

C
Triggered feelings from before

G D
From the time you don't remember

C
Well I forgot, but can't let go

Em
If it was easy, I'd forget about you, baby

C
But I never really understood

D
How people move on from a heart to love another

C
Oh, if I could, I would

G7M G
If it was easy, I'd forget about you, baby

C
But I never really understood

G7M
How people move on from a heart to love another

C
Oh, if I could, I would

G D
I picked at all that I could think of

C
I guess I picked that up from you

G D
No one could make me feel so useless

C
I know I did it to you, too

D Em
Why cut so deep every word that we speak?

C
Triggers, shit we never thought

G D
I still remember all the good times

C
If not, I'll recreate 'em all

Em
If it was easy, I'd forget about you, baby

C

But I never really understood

D
How people move on from a heart to love another

C
Oh, if I could, I would

G7M G
If it was easy, I'd forget about you, baby

C
But I never really understood

G7M G
How people move on from a heart to love another
