

# Tove Lo - Habits

Tom: F

**Bb** **Dm**  
I eat my dinner in my bathtub

**F**  
Then I go to sex clubs, watching freaking people getting it on

**Bb** **Dm**  
It doesn't make me nervous

**F**  
If anything, I'm restless, yeah, I've been around and I've seen it all.

**Bb** **Dm**  
I get home, I got the munchies

**F**  
Binge on all my Twinkies, throw up on the tub then I go to sleep

**Bb** **Dm**  
And I drank up all my money

**F**  
Tasted kind a lonely.

**F**  
You're gone and I got to stay

**Bb** **Dm**  
High all the time

**F**  
To keep you off my mind

**Bb** **Dm**  
High all the time

**F**  
To keep you off my mind

**Bb** **Dm**  
Spent my days locked in a haze

**F**  
Trying to forget you babe, I fall back down

**Bb** **Dm**  
Gotta stay high all my life

**F**  
To forget I'm missing you.

**Bb** **Dm**  
Pick up daddies at the playground

**F**  
How I spent my daytime, Losing up the frown make them feel alive

**Bb** **Dm**  
Or make it fast and greasy

**F**  
I'm on my way to easy.

**F**  
You're gone and I got to stay

**Bb** **Dm**  
High all the time

**F**  
To keep you off my mind

**Bb** **Dm**  
High all the time

**F**  
To keep you off my mind

**Bb** **Dm**  
Spent my days locked in a haze

**F**  
Trying to forget you babe, I fall back down

**Bb** **Dm**  
Got to stay high all my life

**F**  
To forget I'm missing you.

**Bb**  
Staying in my play pretend

**Dm** **F**  
Where the fun it got no end

**Bb**  
Can't go home alone again

**Dm** **F**  
Need someone to numb the pain.

**Bb**  
Staying in my play pretend

**Dm** **F**  
Where the fun it got no end

**Bb**  
Can't go home alone again

**Dm** **F**  
Need someone to numb the pain.

**F**  
You're gone and I got to stay

**Bb** **Dm**
