[Primeira Parte]

We were so magical, why end this way?
 I know you're furious, yeah, just like me
 You got good reasons, but I do too
 What really happened here? I wish I knew

[Pré-Refrão]

It escalated so fast
 We yelled things we can't take back
 It escalated too soon
 I know what they say, I know that they say that

[Refrão]

No one dies from love
 Guess I'll be the first
 Will you remember us?
 Or are the memories too stained with blood now?

No one dies from love
 Guess I'll be the first
 Will you remember us?
 Or are the memories too stained with blood now?

[Segunda Parte]

I tried my best with you, you claim the same
 Somehow, we're strangers, but share this pain
 Keep writin' letters I'll never send

Don't want you movin' on when it's my end
