

Tove Lo - Paradise

Tom: C

C
 Touch you once, my fingers go numb?
 Hold my breath one second too long?
 F
 Fainting others when I wake up
 ?You'll be gone, you're all that I got
 C
 Being with you, my natural high
 ?Still got every single butterfly
 ?F (C)
 Just what they all wish that they had
 F (C)
 So intense, it's driving me mad
 ?F Am
 So into you now

F
 Said I want you for a million days
 ?Am C
 You say you want the same with me
 ?F
 With love for real without the lies
 ?Am C
 Is that what they call paradise?
 ?F Am
 All of you wanna be in it?
 C
 Paradise
 ?F Am
 All of you wanna be in it
 ?C
 Paradise

C
 Dark days when I'm feeling the doubt
 ?Bring me back, you're light of my life?
 F
 You sweep all my worries away
 Brush me off, now I'll be okay
 C
 Right this way forever and on
 ?When I drown, I feel like I've won
 ?F (C)
 'Cause I made it all the way through
 F (C)?
 Tear in love, a lifetime with you
 F Am
 ?So into you now

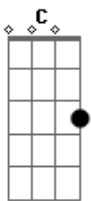

F
 Said I want you for a million days?
 Am C
 You say you want the same with me?
 F
 With love for real without the lies
 ?Am C
 Is that what they call paradise?
 ?F Am
 All of you wanna be in it
 ?C
 Paradise
 ?F Am
 All of you wanna be in it?
