Tom: C
Intro: Am Am G Dm

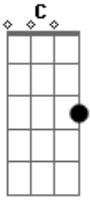

Am
Skin to skin
Am
Seepin' in
Flickering, our eyes go wide
You giving me studded sight
Am
Painting stars
Am
In our hearts
Yeah, you know I'm down for you
I want you to lick my wounds
What's your line though?
That I'm fine, oh
Heard that before
But somehow it means more
Am
Dreamer, trippin' on your highs
Am
These vibes, I feel 'em, ooh
G
Dreamer, trippin' on your highs
Dm
Feelin' all the vibes, ooh
Am
Whisper pretty little things
Am
Heart sings, I feel 'em, ooh

All the things stopping me from letting go

But I don't know
Seems like what you're looking for
