Frederick Street Was On The News Tonight
Outside Fosters Club Had Been A Fight
And Every Time You Go To Dig The Beat
You Will Hear A Yelp And Somebody Shouting For Help

Hello, Hello, Hello, Hello, Who's Down There?
Who's Down There?
Hello, Hello, Hello, Hello, Who's Down There?
Who's Down There?

In The Fisticuffs In Frederick Street
I Don't Wanna Be, I Don't Wanna Be, You Don't Wanna Be
We Don't Wanna Be There

Fosters Club Was Full Up To The Brim
Everybody Risking Life And Limb
And Just To Go And Pose At The Disco
But Posing Wasn't Easy As The DJ
He Got Queasy, Blow By Blow

Everything's Silent On Frederick Street
A Lonely Policeman Walks The Beat

Before Long Everybody'll Know
That Fosters Club Is Not The Place To Go
Unless You Want Your Head Kicking In
You Will Hear A Yelp And Somebody Shouting For Help
