

# Trace Adkins - This Ain't No Love Song

Tom: E

Intro: ( E7 )  
( E Dbm E Dbm A )

Well my heart didn't skip a beat

When I saw you standing there

Looking like some kind a angel

Like you were walking on air

And the earth didn't move

When you first said my name

I didn't feel a thing, no not me,

My heart didn't skip a beat

This aint no love song

I just felt getting my guitar on and singing a tune

Singing about you

Feeling good and tapping my shoes

And all this stuff I'm making up well you probably

Won't be hearing it on the radio but then you never know

So baby if you want, You can sing along

But this ain't no love song

I couldn't sleep last night but you weren't on my mind

And I went for a drive last night but if you saw me driving by

well I must've took a wrong turn

I must've been thinking bout something else had a melody in my head

yeah maybe that's why, I couldn't sleep last night

This aint no love song

I just felt getting my guitar on and singing a tune

Singing about you

Feeling good and tapping my shoes

And all this stuff I'm making up well you probably

Won't be hearing it on the radio but then you never know

So baby if you want you can sing along

But this ain't no love song, love song, love song singing to you baby singing to you baby

SOLO || E | B | Dbm | A ||

All night long

Yeah half this stuff I'm making up well you probably won't be hearing it on the radio
