

Tracee Ellis Ross - Like I Do

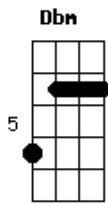

tom:
 Why have I been this way
 Through all of my pleasures
 Through all of the pain?
 I know that hard times can get in the way
 But even the worst nights
 There's nothing I'd change
 I've been feeling like a fool
 They don't love you, they don't love you like I do
 Is there something I can do to twist and turn back the time?
 Something I can say to settle your mind
 Something to prove
 They don't love you like i do
 Why do I feel this way

Through all of the madness
 Through all my mistakes?
 Sometimes it's bad luck, we battle for play
 But you make it easy
 To smile through the thunder and the rain
 I've been feeling like a fool
 They don't love you, they don't love you like I do
 So if there something I can do to twist and turn back the time?
 Something I can say to settle your mind
 Something to prove
 They don't love you
 So if there something I can do to twist and turn back the time?
 Something I can say to settle your mind
 Something to prove
 They don't love you like i do
