

# Tracy Chapman - Be And Be Not Afraid

Tom: **G**

I believe in mistakes **C** and accidents **G**  
 That the nature of life is **Am** caos and confusion **G**  
 That man's rules of law and order **C** may not stand **G**  
 And I should be and be not afraid **Em** to reach for he-heaven **C D G**  
 (riff 1)

I may think that I know **C** the true hearts needs **G**  
 My pride may bring me low, **Am** unable to see **G**  
 No closer than yesterday, **C** but tomorrow I may stand **G**  
 Be and be not afraid **Em** to reach for he-heaven **C D G**

(guitar solo)  
 ( **G** **C** )  
 ( **G** **Am** )  
 ( **G** **C** )  
 ( **G** **Em** **C D G** )

(riff 1)  
 I'll see the black eyed cavelcade, **C** lights on in the morn **G**  
 I'll run fast and far away, **Am** I'll run without stopping **G**  
 Till heart and feet fail **C** or until I can stand **G**  
 Be and be not afraid **Em** **C D G**  
 Be and be not afraid **C**  
 Be and be not afraid **Em** **C D G**  
 Be and be not afraid **Em** to reach for he-heaven **C D G**
