

Tracy Chapman - Don't Dwell

Tom: C

C Dm
 Don't dwell on the past
 F G C Dm
 Of there was lost and didn't last
 F G C Dm F
 That summer bloom is fading fast
 F G C Dm F
 But I'm falling for you

 Don't dwell on the pain
 The tears you've cried and autumn rain
 That that weather is here and come again

But I'm waiting for you

Don't dwell on the loss
 Fools that were still breaking toss
 That winter's heart will spear and double cross
 But I'm yearning for you

G A (TRANSIÇÃO)

Dm E
 Don't dwell on the time
 G A Dm E G
 Seasons change and so does the climate
 A Dm E G
 That old flame has cooled but I
 But I'm burning for you , yes?., oh?.
