Use a capo barred at the second fret to match the pitch of this one.
Follow the transcription as you would any TAB, disregarding the fact that you're two frets up. A pitch of "2" is played by plucking the notated string two frets above the capo, not the nut.

Change to an Gbm7 when the sequence is repeated immediately thereafter. Change between G and A on the bridge to the repeat.

Hoped to finish her stuff up here, but looks like there'll be one more posting. I'm not going to include "Behind The Wall" as it's a cappella, but will try to throw in the rest from her first album and what I've figured of "All That You Have Is Your Soul".
